To: Professor John Bartzis – Vice President COST Office Association (COA)
Cc. Members of the General Assembly and of the Administrative Board of COA

Roma, 23/10/2012

Dear Professor Bartzis, dear John,

as you recall, I resigned and stopped to be the President of the COST Office Association with my letter dated 25/09/2012 and, according to the COA Statutes, since that date the Presidency was left in your hands being the Vice President of COA.

I have been informed that my resignation must be published in the Official Gazette. I therefore ask you to kindly publish my resignation in the Official Gazette as soon as possible.

With my best regards and wishes,

Yours sincerely
